New Lighting: The Parish Finance and Fabric Committee have proposed that we install new LED light fittings in the Sanctuary area and the transept chapel areas as well as some roof lighting. The project has been approved by the Diocesan Board of Administration and is currently being considered by the North West Historic churches Committee. This will greatly enhance the visual aspect of the Church and architectural areas of the Church. It is a major financial commitment but we believe it will provide value for money in the long term as well as being in keeping with Pope Francis' call to protect the

environment; modern lighting will consume much less energy. The work will take several weeks and will cause some inconvenience, but we will keep you informed as and when this is likely to happen.

World Meeting of Families; Dublin 21 -26 August 2018 with Pope Francis.

The diocese is organising a group to attend this. If you would like to go please see the website. One family will be sponsored by the deanery. If you would like to be considered for this please see Fr Mark.

Adoremus: National Eucharistic Congress in Liverpool 7-9 Sept. The catholic church in England and Wales are holding an important Congress about the Eucharist and people from all over the country will attend.

We still require some people who would be willing and able to attend this congress on behalf of the parish. Please see Fr Mark if you might be able to do this.

Pope Francis has published a new apostolic Exhortation, Gaudete et Exsultate. You can find a copy of this on our website along with some explanations about it. As always, you can view live Masses from the parish, download the newsletter and weekly bidding prayers etc... Please keep visiting the site and tell your friends about it. **Also please follow & like our Facebook page: @stmarysbrownedge.**
