**New Lighting:** This week we will begin the installation of some new LED light fittings. This will include the sanctuary, the transepts and lighting the ceiling in the main body of

the church. The work may take up to four weeks.

**Weekday Mass:** To allow the lighting work to be completed, our weekday masses will be celebrated in the sacristy meeting room.

**Roof:** For many years, during heavy rain, we have had rain water leaking in the area near the confessional. We are currently having one part of this roof redone with new slates, felt and batons.

**Legacies:** In the light of the current works mentioned above, it is important to remember that the maintenance of the church property is an ongoing job and it is costly; one great way to support the church is by leaving a legacy to the Church; if you happen to be drawing up a new will, please consider leaving a legacy for the upkeep of our Church. It would be much appreciated.

**Readers:** Please do consider taking on the role of a Reader at Mass. It is a really good way to enhance our own personal journey of faith as well as serving the community. Many thanks to John Kirkwood who has organized the readers' rota for several years and to Roger Hardacre who has now kindly agreed to take on this this responsibility.

**Altar Servers:** Servers play a key part in the Mass but we are in need of more volunteers, particularly for the weekend evening Masses and Sunday at 11am. Contrary to popular belief you do not have to be young to serve. We have servers of all ages so if you are interested or would like more information, please contact either Greg on 07990546110 or Charlotte on 07800553175.

**CAFOD : Thank you :** In October, from the buckets and coffee morning, we collected £314 and from the recycled jewellery stall £140. Many thanks for your generosity and continued support.
